

## BRAZIL MISSION 25 YEARS OF SUCCESS

The EBNESR Ministry Training School began on **July 1, 1998**, in the city of Recife, with the goal of training Christian workers and ministers through advanced biblical and ministerial studies. During these 25 years, **there have been 188 graduates of the school who have then gone throughout Brazil**, helping share the transforming gospel of Jesus Christ. In addition, the institution has also contributed directly to the beginning of dozens Churches in Northeast region of Brazil.

The EBNESR Ministry Training School invests in teaching and evangelism to bring Brazil to Christ. It has and continues to use its teachers and resident students (in training) to teach evangelistic courses that serve the metropolitan area of Recife, today with a population of just over 4 million inhabitants. In this fertile ground for preaching the gospel, there have been **35 baptisms in the last 6 months** through the course, "Let the Bible Speak".

*"And Jesus came and spoke to them, saying, All authority is given to Me in Heaven and in earth. Therefore go and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things, whatever I commanded you. And, behold, I am with you all the days until the end of the world. Amen". Matthew 28:18-20*

We are not just about training men and women to share their faith in Jesus. We are not just about turning our training school into a Christian college and becoming the first accredited college affiliated with the churches of Christ in South America. We are not just about remodeling a building to house our training school or becoming independent of financial aid coming from abroad. **Our real heart felt mission is the eternal salvation of the lost.**

At the present time there are 54 million people living in the Northeast Region of Brazil. This region is huge. In fact if it were a country it would be the third largest in land mass in all of South America and the fourth largest in all of Latin America behind Brazil, Argentina and Mexico. Most of those souls are lost. Most of them have never heard the pure and simple gospel of Jesus Christ. There are 9 states and 1,794 municipalities in the northeast region. **One hundred and fifty churches of Christ have been planted** but that is not even 10% of the total number of municipalities.

**Our real goal is to see at least one congregation of the church of Christ planted in each of those municipalities** and to give all of the 54 million inhabitants the chance to hear the pure and simple gospel of Jesus.
